Attention Mr. Bruce McLennan, Chair

Dear Mr. McLennan:

RE: YEC/YECL 2009 Phase II Application – Interrogatories request by John Maissan (LE Projects) for clarification on LE-YEC/YECL–1-31 (b) to (g)

The Companies have contacted Mr. Maissan to respond to his request for clarification on LE-YEC/YECL–1-31 and confirm that the tables provided in the response are the count of non-industrial customers (residential and commercial) that each have paid (by year for the years 2007 – 2009) a construction contribution toward a distribution extension in each category: (b) the total, (c) greater than \$5,000, (d) greater than \$10,000, (e) greater than \$15,000, (f) greater than \$20,000, and (g) greater than \$25,000. For example, in YECL's table, in 2007 there were 20 customers who paid a contribution over \$25,000.

The Companies believe that Mr. Maissan is now satisfied with the response and no further clarification is required. If you have any questions or concerns, please contact either of the two undersigned.

Yours truly,

YUKON ELECTRICAL COMPANY
