To all Interested Parties

Re Consultation regarding the review and update of Yukon Utilities Board Scale of Costs and Rules of Practice

As indicated in Board Order 2011-13, Appendix A, Reasons for Decision, the Yukon Utilities Board (Board) is launching a review of its Scale of Costs, Schedule 1 of the Rules of Practice, which are enacted under section 10 of the *Public Utilities Act*. The Scale of Costs is authorized by section 56 of the *Public Utilities Act*. The Board is also considering minor changes to its Rules of Practice to bring the rules up to date. The changes to the Scale of Costs and the Rules of Practice are intended to update the Scale of Costs and bring the Rules into line with current practice of the Board.

The Board has conducted a review of the cost provisions and scales of cost of other public utilities Boards or Commissions across Canada. Attached, is a copy of the Board's research for your information. Also attached is a copy of the Board's current Rules of Practice (including the Scale of Costs), the Intervenor Costs Award Policy, and Intervenor Expense Claim spreadsheet.

The Board is seeking your comments on changes to the Scale of Costs and other provisions of the Rules of Practice. Please submit your written comments by December 30, 2011.

Please direct any questions or comments to the Board's Executive Secretary, Deana Lemke, at (867) 667-5058 or e-mail yub@utilitiesboard.yk.ca.

Yours truly,

Bruce J. McLennan
Chair
