BOARD ORDER 2008-17

AMENDING BOARD ORDER 2008-16

WHEREAS:

- A. The Board issued Board Order 2008-16 on November 14, 2008 which ordered YEC to implement an interim rate by amending Rider J and applying a 5.98% decrease to the base rates of all rate classes, except Rates 39 and 32, effective December 1, 2008.

- B. The Board has subsequently noted an error was made in the formula set out in footnote 1 in Board Order 2008-16. The footnote erroneously referenced the 2009 Forecast Revenues from Table 2.2 on page 2-16 of the Application. The correct reference should be from Table 4-6 on page 4-14 of YEC's 2008-09 General Rate Application using the \$38,359.1 (\$000s) total from the first column. This provides a 3.48% reduction through Rider J which applies only to Residential (Non-Government and Government), General Service (Non-Government and Government) and Lighting customers. Wholesale customers are not affected by Rider J.

NOW THEREFORE, the Board orders that:

Section 2 of Board Order 2008-16 be amended to read as follows:

2. YEC is to implement an interim rate by amending Rider J and applying a 3.48% decrease to the base rates of all Residential (Non-Government and Government), General Service (Non-Government and Government) and Lighting customers.

DATED at the City of Whitehorse, Yukon, this 17th day of November 2008.
